How to Create and Link Your Riot and Riftbound Gaming Network Accounts

Create a Riot Account

In order to participate in Riftbound OP, you will need to complete the following items.

1. Create/Have aRiot account with a gamename and tagline
2. Create/Have a Riftbound Gaming Network account (via Carde.io)
3. Sync your Riot account to your Riftbound Gaming Network account

Below is a detailed breakdown of how to complete all these required steps.
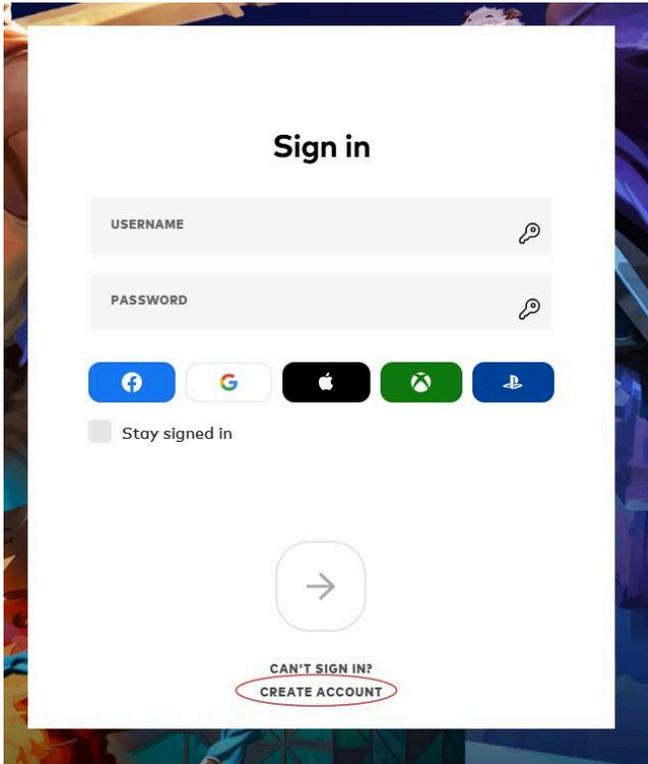

Create a Riot Account

1. Let's start with creating a **Riot account** by clicking **THIS LINK**. *(If you already have a Riot account, skip to the next section to create your Riftbound Gaming Network account and pat yourself on the back for being ahead of the game!)*
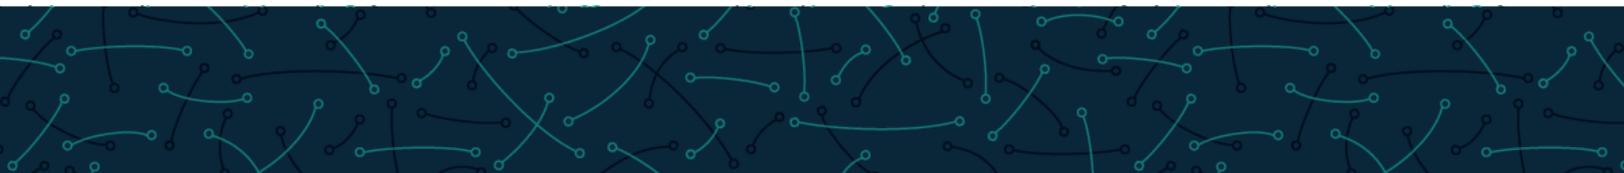

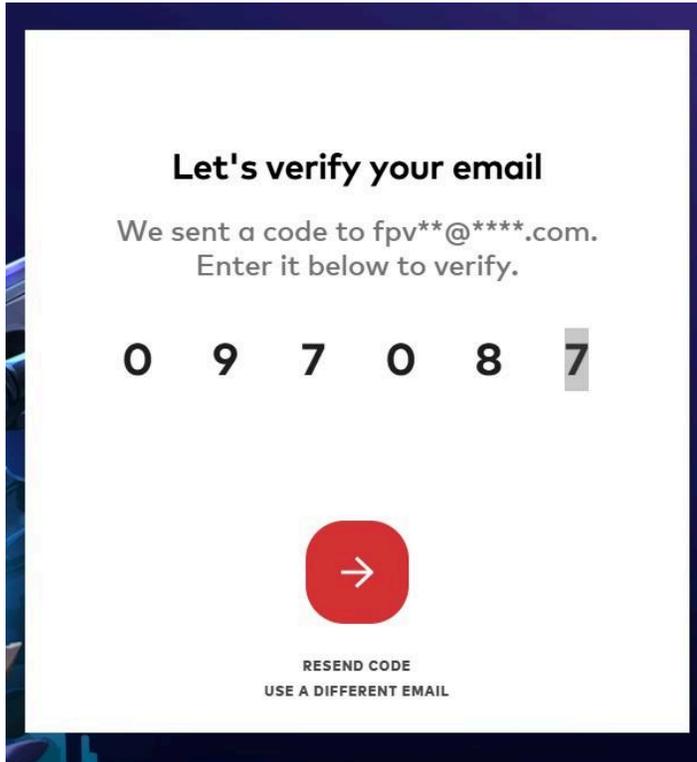

2. Click "CREATE ACCOUNT"

3. Use your email address to create your account or use any of the account options already provided (Google, Facebook, Apple, etc.).
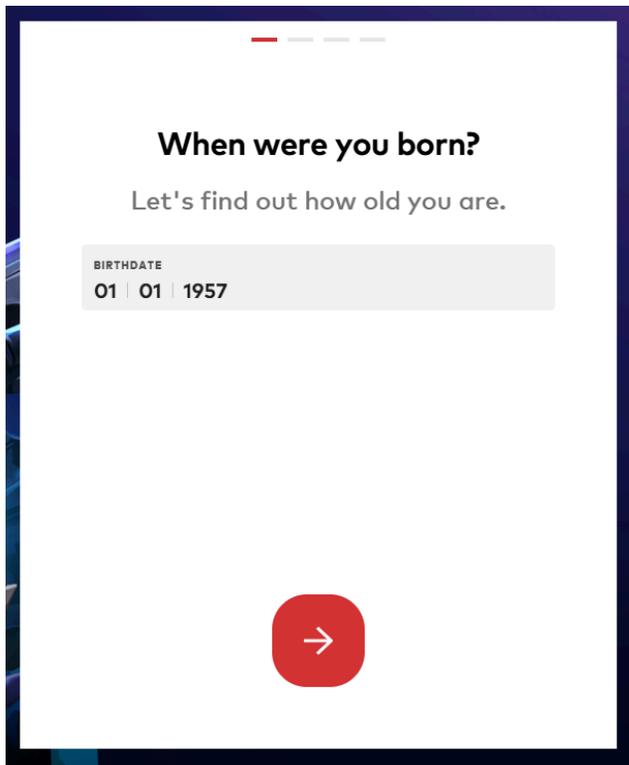

4. Input the verification code.

Let's verify your email

We sent a code to fpv**@****.com.
Enter it below to verify.

0 9 7 0 8 7

RESEND CODE
USE A DIFFERENT EMAIL

5. Add your birthday.

When were you born?

Let's find out how old you are.

BIRTHDATE
01 | 01 | 1957

→

6. Choose a username (*Please note: your username is not your Game Name or Tagline*).

Choose a username

Used for sign in to all our games.

USERNAME
ILuvRiftbound

7. Choose a password.

Choose a password

Make sure it's a good one.

PASSWORD
●●●●●●●●●●●●●●●●●●●●●

Great

✓ Must be Okay strength or better.
✓ Password is at least 8 characters long.
✓ Password includes two of the following: letter, number, or symbol.

CONFIRM PASSWORD
●●●●●●●●●●●●●●●●●●●●●

8. Review and accept the Terms of Service.
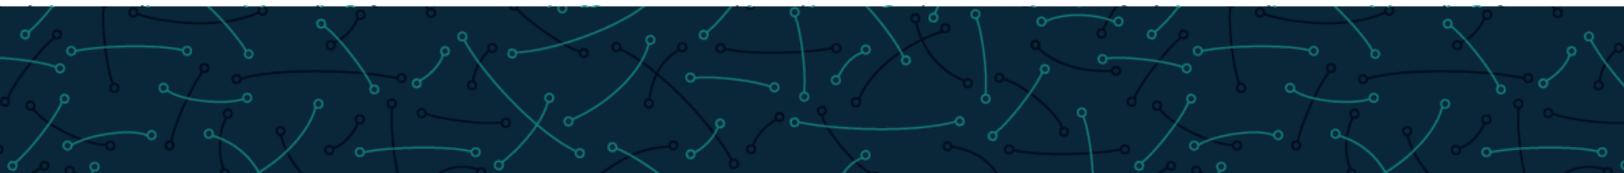

9. Finally, you need to set your RiotID, the name that will display for you during Riftbound tournaments. Click "Riot ID" from the "Account Management" options. It looks like this:
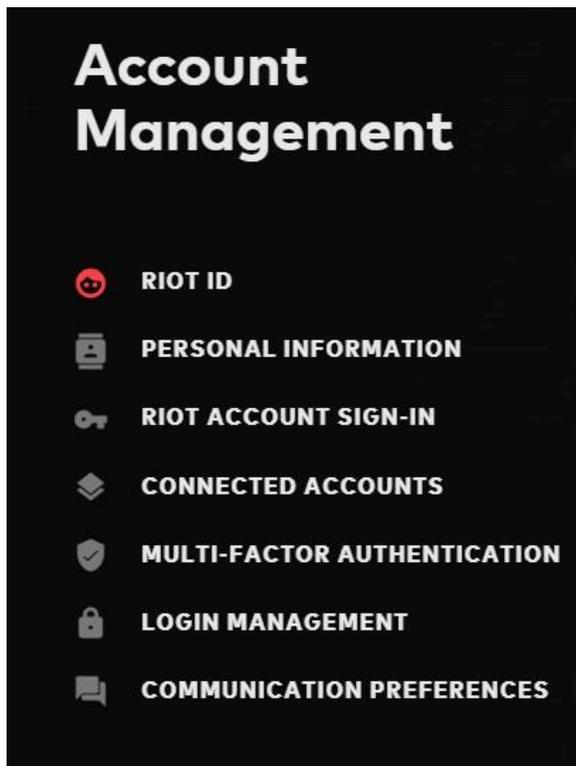

10. Set your Game Name and Tagline. Make sure to click "SAVE CHANGES!" You can change this information once every 90 days.

Now that you've created your Riot account, it's time to create your **Riftbound Gaming Network** account so you can connect the two together.
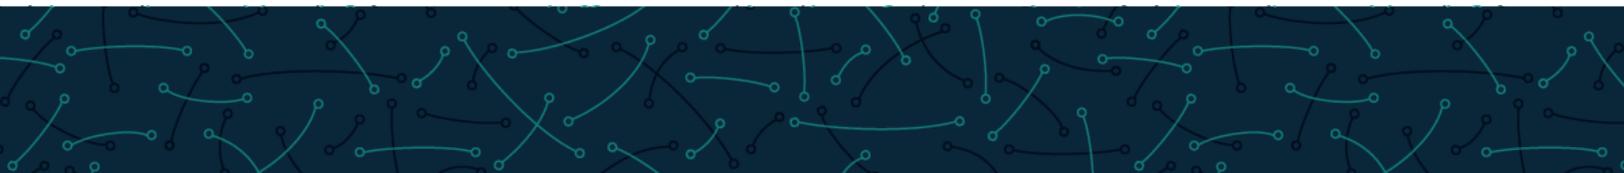

How to Create and Setup Your Riftbound Gaming Network Account

1. Start by going to **THIS LINK**.
2. Provide your email address and a password to create your account (we recommend using the same email address you used to sign up for your Riot account).

3. Verify your email.

4. Connect your Riot account by clicking "Sign-In with, Or Create a Riot Account."

Connect to Riot

Connect your RiotID to continue, and ensure you have a valid Game Name set on your account.

🔴 **Sign-In With, Or Create A Riot Account**

Nevermind, Log Me Out   Continue
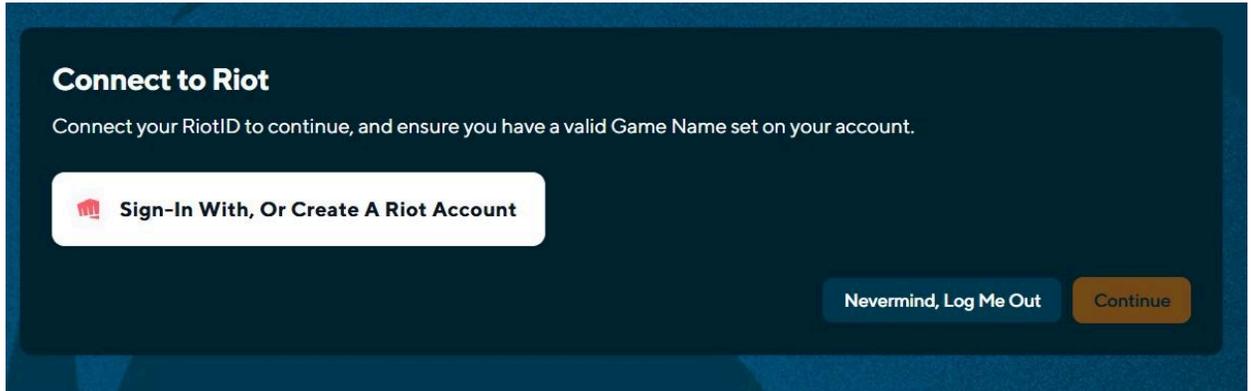

5. Authorize Riot to connect your Riot account to the Riftbound Gaming Network.

Cardeio Play Network is requesting the following permissions: View Account ID, Offline Access

Authorize

CANCEL

TERMS OF SERVICE

PRIVACY NOTICE
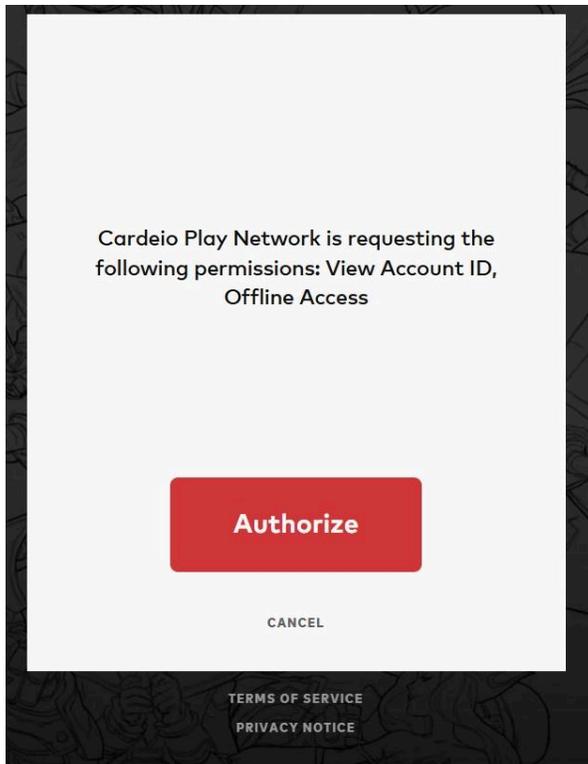

6. Finally, fill out the remaining required fields.

And that's it! You're now able to successfully join and play in Riftbound Gaming Network events for Riftbound. Have fun!
