

# GIGAN CYBERNETIC MONSTER

AGILITY: 7 | TOUGHNESS: 3 |

## RETALIATION

To retaliate, roll a d6 to determine which attack Gigan uses:

## ENEMY CHARACTER ACTIVATION

Enemy characters activate after all players have passed during the Combat Phase. When an enemy character activates, roll a d6, then refer to that character's activation table to determine what happens.

## ACTIVATION TABLE

### ROLL 1: HAMMER HANDS

Gigan retaliates against 2 random players. Then, Gigan's attacks get +2 damage this Combat Phase (after the retaliation attacks).

### ROLL 2-3: FLURRY OF SLASHES

Each player loses 4 health unless they discard 1 card.

### ROLL 4-5: ROTATING CUTTER

Until the next activation, when a player deals damage or blocks an attack, they lose 2 health. Gigan retaliates against the player with the fewest cards in hand.

### ROLL 6: BLOODY CHAINSAWS

Gigan retaliates against the player with the least health twice.
