

The cover art is a vibrant, stylized illustration. At the top, a blonde angelic figure with large golden wings and a blue cape stands against a background of jagged, golden rock formations. To the left, a purple, horned demon-like creature with a long tail is shown. To the right, a character with a large wooden barrel on their back and a green tunic is depicted. At the bottom, a character with red goggles and a mechanical arm is shown. The entire scene is framed by a golden, ornate border. The central text is set within a dark, arched banner.
